6 PCC report

Cllr Harries reported that PCC had been discussing the civic waste amenity sites, there was lots of excuses and said there were no problems and no queues.

With regard to the budget, the Cabinet was pushing for a 10% council tax increase. The deficit is now down to £19m.

There was no talk of the second home council tax being increased. The definition of a second home needs to be agreed. The council want to keep 75% of the second home payments to fund other things, previously it had gone to affordable housing and the Enhancing Pembrokeshire Grant.

The Cabinet have to go to tender on the multi storey car park, before they had a blank cheque.

Statkraft will provide an update in 2 weeks.
