1. Matters Arising

- 1.1 Asset transfer – the forms are still yet to be sent out by Property. Paperwork for both Sclleddau and Trecwn will be sent. Property Department also outlined that they cut back the hedges in October. It was noted that the entrance to the park also needs cutting back by the car park. There is growth already growing through the rubber matting. Councillor Harries stated that he would email the Property Department of the above.
- 1.2 Bus Stop – still awaiting a quote for repair. There are currently 3 panels missing.
- 1.3 Salt bins – it was noted that the bins are sufficient at the moment and do not require replenishing.
- 1.4 Same Resident Event – It was noted that the event due to take place in December was postponed and would be reorganised in the New Year.

2. Agenda Items

- 2.1 Lamp Light of Peace – All councils were being encouraged to purchase a beacon to take part in the 80 year anniversary of D-Day. It was hoped to get as many involved as possible. The lamps were £55 each . It was proposed by D Williams and seconded by J Miles to purchase one. The lamp would be kept in Jordanston.
- 2.2 Invoice – It was agreed to fund:
Letterston invoice for hire of hall in August 2023
N Chilton - £128.60 outstanding amount for the insurance for the fireworks.
Fishguard Garden Centre - £45 for Christmas Tree.

3. Planning applications

No applications had been received, however, an email had been received that day regarding concerns with an ongoing application for Millbrook, Manorowen. The email was read out at the meeting. It was agreed to write to the Planning Department outlining that a copy of the application had not been received by the Council, and that there had been reservations on previous application that had been made. No comment could be made until a copy of the plans had been received. A request to delay a decision would be made until the council could comment further.

4. Finance Expenditure

Clerk's Salary (by standing order – paid)	£232.20	By standing order
Margaret Mabe (by standing order – paid)	£40.00	By standing order

6. PCC report

Cllr Harries outlined that he had received a response regarding the footpath, stating that the path had been cleaned. It was noted, however, that the path was still slippery. Cllr Harries explained that he would email again.

Council tax was still all up in the air. It was likely that a decision wouldn't be made until March 2024.

7. Any other business

Potholes – it was noted that there were a number of potholes on the Jordanston Road. Cllr Harries would chase this up.

Chippings Panteg – Several cars have had their windscreens damaged due to the loose chippings on the Panteg Road. A number of residents have written to the Council who are taking no responsibility, however, it was noted that Pembrokeshire County Council had reimbursed one resident. Cllr Harries outlined that he would look into this further.

Christmas Tree – It was agreed to pay for the Christmas tree to be removed.

Date of the next meeting Monday 12th February 2024.

Meeting closed at 7.55pm
