7. PCC report

Cllr Harries noted that there hadn't been any recent meetings held due to the summer recess.

The main areas of concern were the ongoing costs for Social Services. This was due to a number of children being placed out of County which was costing the local authority quite significantly.

Discussions were being made about the closure of several adult care centres. Centres at risk were at Pembroke, Narberth and Crymych. This was due to lack of funding and lack of entrants.

The car park works at Haverfordwest have resumed.

A new Welsh School at Pembroke had opened at the start of the new academic year.

The National Eisteddfod was likely to take place in Pembrokeshire in 2026. This was likely to be located on the border with Cardigan.

Potholes had been filled in at Llangwarran.

It was noted that some house were now on the water mains at Barham Road. The houses to the left had been connected and it was explained that phase 1 is not completed.

8. Any other business

Canopy – It was noted that a canopy had been dumped I the Playing area
