Minutes of last meeting

The minutes of the last meeting were signed as a true record proposed by A Anderson and seconded by M Scrimshaw All were in favour.

1. Matters Arising

- 1.1 Asset Transfer – It was noted that the wire mesh fence needs replacing as it is in a bad state of repair. Cllr Harries outlined that he would chase this up with PCC. It was also noted that a response had been received from Helen Hodges, after receiving an update from PCC, stating that the council could not agree that the Community Council just has access to the footpath and that responsibility for the footpath should remain on the lease as such. Following deliberation of this the councillors asked the clerk to respond to the email wanting confirmation regarding who would be responsible for the upkeep of the boundary and fences and who else would have right of access.
- 1.2 Scluddau Park- It was noted that the fence needs maintaining as there is a big hole in it. Also the grass is in need of cutting. Cllr Harries advised that he would contact PCC.
- 1.3 Website – It was discussed the new Scluddau Website was now up and running and all relevant minutes and agendas had been uploaded.
- 1.4 Defibrillator – Further to the recent fundraiser for a defibrillator to be located at Trecwn, it was explained that the necessary funds had been raised. It was discussed that the Community Council would fund the upkeep of the machine, but it would need to be located in a suitable place so that it was central to all residents. It was also discussed to speak to the new owners of the Gate regarding the defibrillator based there, ensuring that the community council was aware when the machine needed servicing and when batteries and pads were due for replacement.
- 1.5 Wesley Memorial – it was agreed to send a letter to the land owner asking for public access to the memorial.

2. Agenda Items

- 2.1 Vacancies – An email had been received from Adam Zimmer. The clerk responded inviting him to the July meeting, but no response had been received at the time of the meeting. A further email would be sent and notifications of the vacancies would be put on the website and facebook page.
- 2.2 Wind Energy in Pembrokeshire – it was noted that planning approval had been sought on the Wind Turbine. However, approval was subject to conditions. A noise survey would be carried out later on this year.
- 2.3 Additional Community Governor Ysgol Wdig – To push it forward to the next meeting in September.
- 2.4 Website expenses – The clerk was paying for the website expenses, it was agreed to reimburse the clerk.
